About Us

**Welcome to the onex export the overall business pioneer since 2 years.
Manufacturer & Supplier of a wide range of Brass Products.**

OneX Export is a company bounded only by our capabilities, not by specific industries or product lines. MIPL constantly seek to grow our existing businesses, and build or acquire assets or businesses throughout the world that will allow us to create the greatest value.

we, "Onex Export", are involved in manufacturing, supplying and exporting of various industry based products. The products that we offer are precision engineered by the experienced professionals, who possess an immense knowledge and experience in their respective fields. Our range, if properly used, helps in minimizing the load on conventional energy resources. Due to its high efficiency, easy installation and energy conservation attributes, our range is appreciated in both domestic as well as international markets.

OneX Export, one of the worlds most trusted brands, is a name with a long history that powers itself into new ventures. This trust extends to a series of products, services and solutions that cover diverse businesses – from consumer care to cutting-edge information technology. Over the years, our identity has evolved with our business, adapting to changing global dynamics.

OneX Export is engaged in a continuous endeavor to maximize the realization of potential in its employees and market opportunities by synergizing the multiple ventures of the Group; thus creating an optimum business model that benefits both, stakeholders and society.

OneX Export is a business behemoth based in India having a global footprint with interests in Infrastructure, Power, Global Trading, Logistics, Energy, Agro Business, Real Estate Development etc. It is a name well established among the distinguished corporate entities of India, with a young and highly motivated taskforce of professionals who are a prized asset of the organization.

Our Founder & CEO, 'Mr. Mihir Sanghani', has always guided us in all our business operations and hence, we have been able to achieve the set organizational targets. Owing to his visionary guidance and extensive industry experience, we have been able to gain clients across the world.
